A Splendid Piece of Property
Placed on the Market.

Southern California Land Co.

AGAIN TO THE FORE.

THE HOWES TRACT, on Jefferson
street, including the handsome
home residence and charming grounds
of F. C. Howes, Esq., Cashier of Los
Angeles National Bank, to be subdivided—375 large lots (one-fifth of an
acre each), with nine beautiful resi-
dences, including the large cottage of
10 rooms of Mr. Howes, graded streets,
etc., to be sold on the homestead plan
at \$190 per lot, in payments of \$10
monthly, without interest, with first
payment of \$30.

The great success of the Southern
California Land Company (Baker
Block) with the Childs Tract, Urmon
Tract, City Center Tract, Williamson
Tract, Eleventh-street Block and Co-
lumbia Colony has been owing to the
wonderfully low rates at which this
popular company has placed first-
class, well-located property before
the public.

It is refreshing to note in the midst
of the boom in real estate, that one
reliable firm not only gives to the peo-
ple homestead lots at about one-third
the prices charged by others, but also
performs all its promises to the letter,
in the building of houses, opening out
of streets, putting up electric lights
and extending the improvements of
our city to its farthest legitimate
bounds.

The maps of the Howes Tract will
not be ready for some days; but in the
meantime all will be bustle and activity
on this beautiful property; surveyors
will be laying off streets and ave-
nues, builders will be placing houses
and pushing forward at once all the
improvements promised, and the tract,
now almost all covered with vines,
orange trees and splendid foliage, will
put on a metropolitan look and keep
up with its beautiful surroundings of
costly buildings and cottage resi-
dences.

The Howes Tract fronts on Jefferson
street, west of Vermont avenue. The
location is a very popular one, in the
direct line of the city's rapid growth,
and will soon be reached by lines of
street railroad and the motor road
on the west.

It was not intended to open the books
for this fine property until the 5th of
November, but the fact that it was to
be placed on the market having become
known, an instant demand sprang up,
and names are coming in so rapidly
that the sales may all be made before
even the maps, plans, etc., are ready
for the public. The large salesroom
of the SOUTHERN CALIFORNIA LAND
COMPANY, 244 North Main street,
Baker block, is filled every evening
with subscribers until a late hour.

\$190 per lot is not one-third the
price of ordinary lots in Pasadena or
the rocky canyons around it, and not
one-fourth the rate of the farthest
subdivision of unmarketable tracts in
East Los Angeles.

This means the district does need Gen-

A MARAUDING MEXICAN.

His Career as a Cattle Thief Ended
By Ballot.

CANDELARIA, Nov. 29.—(By the
Western Associated Press.) For some
time a Mexican named Comas has
been doing a profitable business in live
stock. His plan was to run off a band
from some ranch and drive them to a distant
town and sell them, and steal another band
there to dispose of elsewhere. He stole a
lot of horses and mules at Eureka recently.
The owner followed him to a camp about
four miles south of here and regained the
stock. Comas then stole a horse from
Warner's wood ranch and started south.
Warner and a man named Dunlap followed.
He was found in a cabin at Chavich's
ranch near Silver Peak on Monday.
Dunlap fired as soon as he saw his pur-
suer. Dunlap returned the fire, shooting
him in the right arm, and the second shot
broke his right arm. He surrendered. There is
no doctor in that section and it cannot be
told how badly he is hurt. His wounds are
supposed to be fatal. An officer went to
bring him in but could not find him. It is
supposed that his countrymen have taken
him out of the country.

THE WISCONSIN HORROR.

Recovering the Bodies of the East
Mo Catastrophe.

PORTAGE, Wis., Oct. 29.—(By the
Western Associated Press.) The work of iden-
tifying the dead is progressing slowly. The
bodies of men whose legs and arms had
been buried, and whose distorted and
bare evidence of the terrible agony he had
suffered, was identified as Louis Brinker.
The body of Emil Wotersdorf was found
under a pile of rods and trusses. His head
was buried in a clinder, and every particle
of wood near Silver Peak on Monday.
Remains were identified by a ring found on
his finger. The bodies of the Sisters
Lupina and Dionia were found close to-
gether; one was in a kneeling posture, with
her hands clasped, as though death
worship, her while engaged in prayer.
The body of a man, who is supposed to be
Walter Scott, was removed from under a
seal. His name was written on his collar,
which, strange to say, had not been touched
by the flames.

issued by the Cutting filibusters is now be-

"To Ten Thousand Brave and Well-Armed
Americans," and is headed: "Official Bulle-

"We firmly believe that a force of 10,000
Americans, well-armed, organized, disciplin-
ed and prudently led by a filibustering
chief, would prove invincible against any
army that Mexico could put in the field.

RECEPTION

Tendered by the Fort-street Methodist to their new pastor.

A reception was tendered to Dr. R. S. Cantine, the new pastor of Fort-street Methodist Church, at the church last evening. The service had been removed to the side, leaving the large auditorium was filled to its utmost standing capacity. A delightful feature of the evening was the decorations. There was a tablet of chrysanthemums, in which the word "Welcome" was worked; a star and crescent in the same flowers; beautiful bouquets of roses, fountains of anemones and wall decorations of palm leaves. These adornments represented the handiwork of Miss Santee, Miss Pomeroy and Miss Birch.

The proceedings of the evening were opened by a hymn sung by the church choir. Following this came an address of welcome by Dr. J. P. Widney, an address from S. P. Mulford, superintendent of the Sunday school; an address (with floral offerings) by little Ella Bonner, in behalf of the children, the flowers being presented by Master Walter Pomeroy and Miss Helen M. Castille. Rev. Dr. Cantine responded in a very happy manner, and there was singing, singing, singing, a violin solo by Miss Ward, accompanied on the piano by her brother; an organ solo by Prof. Stone, and then, as it was going home time, Mrs. J. P. Widney played "Home, Sweet Home." The exercises were interspersed with handshakings and pleasant chat.

Political Meetings.

As the campaign draws to a close, the pot boils more feverily, and meetings come thicker than blackberries.

General William Vandever, Republican candidate for Congress from this district, Hon. H. V. Morhouse, Corporal Tanner, the soldier-orator, and others will address the voters of Los Angeles this evening. It will be a notable affair, and should call out all intelligent voters.

Corporal Tanner speaks at Santa Ana this forenoon.

Hon. E. E. Edwards, Richard Melrose, T. J. Deput and others will speak at Santa Ana Monday evening.

The untimely death this evening, and will be bled by Lynch and other speakers.

Jose Obando, A. A. Montano and J. B. Sanchez spoke at Santa Ana last night. They will be joined by T. J. Deput at Santa Ana to-night.

Poco Pango.

At 1:45 this morning an alarm of fire was telephoned from the Capitol Mills. The fire department was very slow in getting under way, and it was some time before people in the streets could find out the location of the blaze. It was finally discovered to be in a shed erected about two weeks ago by Pedro Ybarra, next north of his residence at the corner of College and Buena Vista streets. Long before anyone arrived from the center, the building and its contents were far gone, and their distance from other buildings alone prevented further conflagration. The shed, which contained seventy-five tons of hay and a \$2500 car, Mr. Ybarra places his total loss at about \$1000—entirely uninsured. He thinks some of his enemies started the blaze.

Meeting Out Justice.

For several days a gang of toughs have been loitering along Bequena street and making themselves particularly obnoxious to passers-by. On Thursday the police raided them and secured half a dozen of them. They were convicted yesterday by Judge Austin of vagrancy and sentenced to thirty days in the chain gang.

Hidden Treasure.

Yan Wo Lung, a Chinese merchant who was burned out in the fire of last Sunday morning, obtained permission from the insurance agents to dig in the debris Thursday, and in a short time unearthed from \$1200 to \$1500 worth of coin and jewelry, which he had kept buried under his shop. Some of the metal was melted.

The Railroad.

The California Southern Railroad will run an excursion to San Diego on the 12th of November.

Superintendent Jewett, of the L. A. & S. P. R. R., reports that there is no truth in the report of reduction of fares to Pasadena.

Burglaries.

The residence of William Freer, at El Monte, was burglariously relieved of \$74 Thursday night.

The house of W. Snoddy was entered the same night, but nothing was taken.

CHOICE PROPERTY

GIVEN AWAY.

Homes for the Million.

NO GAME OF CHANCE. NO LOTTERY.

Every man sees what he buys and buys what he wants, and if not then satisfied, a beautiful lot will be given him if he desires to build a home.

The Sherman Tract

Is located on the south side of Pico st., near the city limits; occupies a commanding elevation which overlooks the surrounding country in every direction; fronts the celebrated Electric Motor Highway on the north, and on the east Magnolia ave., a new street just being opened from Pico to Washington. Among the many choice locations occupying the elevated ridge that stretches from seventh st. southwesterly to Adams, there is none more desirable than this. The phenomenal growth of the city in its "march to the sea" will soon cover this entire area, and being within ten minutes ride of the postoffice, by lightning motor, soon to be running, every lot in this tract must double in value within a few months.

The tract is subdivided into 108 large lots, averaging 50x120 feet, with alleys, all having desirable fronts, and mostly covered with bearing fruit. The prices have been fixed at equal value, in order to close the sale within 30 days. Prices range from \$25 to \$50 per lot. Terms, one-fifth cash, balance in four equal quarterly installments. EIGHT AVERAGE LOTS WILL BE DONATED TO PERSONS desiring to build. Sales will be private and commence on the tract next
